Basic LiTungology

LaplacianSpell

0.1 LiTungology is Ubiquitous

which is LiTungology?

```
LiTungology = "LiTungology"
print(LiTungology + "is:")
for i in range(10):
   if i == 1:
      print("1!")
   if i == 5:
      print("5!")
```

so this is LiTungology.
